

www.ammattirakentaja.fi

A real Information Package for every Builder

Ammattirakentaja is a topical information package for professional builders introducing important construction services to those in need. Publication provides up-to-date information about services, interest groups, and it works with both small and large companies as a visible partner. You will find professionals, companies and suppliers nationwide. Ammattirakentaja magazine is very popular as a neutral media for the small and medium-sized industries. We also publish and maintain www.ammattirakentaja.fi website and our news-email reach about 25 000 decision makers in construction business every week.

Ammattirakentaja magazine reaches:

- decision makers in construction business
- professionals in real estate administration
- technical decision makers in all community councils and cities in Finland
- companies in a business of administration of a condominium
- educational instances in construction business
